„Linus Agro Group“ subsidiaries enhance positions on the market of certified seeds*Dear Clients and Business Partners,*

Thank you for your successful collaboration and continued partnership with the subsidiaries of AB Linas Agro Group in the Baltics.

Herewith we would like to inform you directly about the changes in subsidiaries of Linas Agro Group as from 1 July, 2018. The both companies, AB Linas Agro and UAB Dotnuva Baltic, were involved in the sales of certified seeds until now. We came to a decision to integrate potential of these companies in goods and services supply to the farmers activity, therefore AB Linas Agro will further run sales of seed and other agricultural inputs, whereas UAB Dotnuva Baltic will be responsible for seed production, development of the new varieties, negotiations and contracts with the main local and international seed suppliers and breeders. The aim of this change is to increase the seed production capacity of Linas Agro Group in Lithuania.

SIA Linas Agro is the trader of certified seeds in Latvia, and AS Dotnuva Baltic – in Estonia.

Further we would like to inform You, that the brand 'Dotnuva Seeds' is to be registered officially. International seed brand will benefit to identify reliable, high quality certified seeds on the Baltic market.

Recent changes will strengthen positions of Linas Agro Group on the certified seeds market in the Baltics and will contribute to ensure leadership in agribusiness sector.

With these changes UAB Dotnuva Baltic will focus on the sales of agricultural machinery, spare parts, grain and farm equipment, service operation efficiency and service development. Whereas AB Linas Agro become more crop orientated - supplying fertilizers, plant protection products, wide range of seeds, providing grain collection and storage services.

In case of any questions or required additional information please feel free to contact Sigitas Augas, Head of Seed department at UAB Dotnuva Baltic, mob. +370 698 75 315, e-mail sigitas.augas@dotnuvabaltic.lt.

We assure You that all obligations under previously signed contracts with UAB Dotnuva Baltic and AB Linas Agro remain valid until their complete fulfillment.

We look forward to continuing our good cooperation for mutual benefit and success.

With best regards,

Darius Zubas
